Medical

I give permission to Calvary Chapel Christian School's summer program to take whatever emergency measures are deemed necessary for the care and protection of my child(ren) while under their supervision. In case of a medical emergency, I understand that my child will be transported to an appropriate medical facility by the local emergency unit for treatment if the local emergency team determines it is necessary. It is understood that in some medical situations the staff will need to contact the local emergency resources before the parents/guardians, the child's physician, and/or other adults acting on the parents/guardians behalf are notified. I understand that any expenses incurred will be borne by the child's family.

Academic

I understand that my student will be enrolled in their summer school course beginning on June 4, 2019 and must complete the entire course by August 1, 2018. If the course is not completed by August 1, 2019, then my student will have to retake the course during the following school year. I understand that this may set my student academically behind (credit recovery students).
